DECLARATION OF INDEMNITY AND ACCEPTANCE OF RISK WEARING OF PROTECTIVE HEADGEAR

The human head is very vulnerable and may suffer considerable damage owing to injuries caused by a fall or impact from a horse. Injuries to the head may have long term effects and in some cases can be life threatening. It has been proven that wearing a correctly fitted, good condition riding hat can protect the wearer from injury or reduce the overall effect of any impact or injury. Saddlers Riding Club promotes safe riding and competition and in order to further this aim strongly recommends that protective headgear to approved standards is worn while handling, exercising riding or competing any horse or pony.

Declaration

I am aware of the risks involved in riding or competing without a solid and unbroken properly fitted approved riding hat or helmet to PAS015 (1998 or 2011), SNELL E2001 or E2016, AS/NZS 3838 (2006 onwards), VG1 01.040 (2014-12) or ASTM-F1163 (2004a or 04a onwards) and bearing the appropriate kite or certified mark with the straps properly adjusted and fastened.

Adult Competitors

As an adult aged 18 years or over, I hereby confirm that I accept full responsibility for not wearing protective headgear to the standards specified above while attending Saddlers Riding Club events.

Having taken this decision, I hereby indemnify Saddlers Riding Club against all losses including but not limited to loss of income and all types of indirect or consequential loss that may be suffered or liability which may accrue to Saddlers Riding Club as a result of any injury suffered by myself as a result of not wearing appropriate safety headgear while handling exercising riding or competing.
